Sir:

Applicants filed on December 30, 2003 a Petition Under 37 C.F.R. Section 1.181 for Consideration of Supplemental Information Disclosure Statement (copy attached). The Section 1.181 Petition was not properly adjudicated, which necessitates Applicants' filing of this Petition Under Section 1.182. Because the error of not properly adjudicating the Petition was the fault of the Patent Office, Applicants are not including any petition fee. However, if a petition fee is necessary, please charge our Account No. 18-0350.

In response to Applicants' Petition Under Section 1.181, the Examiner issued the attached communication stating that "The 1449 has not been considered as the case has already been allowed." However, the Supplemental Information Disclosure Statement (IDS) in question was filed on January 2, 2002 and was not considered by the Examiner. A copy of the Supplemental IDS, as filed, and a copy of the return postcard evidencing receipt of the IDS by the PTO is enclosed. This Supplemental IDS, although properly and timely filed, has not been considered.

It is respectfully requested that the Examiner consider the references enclosed with the originally filed Supplemental IDS and to initial and return the Form 1449 to the undersigned.
